

Assoc. Prof. Dr. Dimitrios A. Karras, is Assoc. Professor in “Digital Systems”, National and Kapodistrian University of Athens (NKUA), Evripos Complex, School of Agricultural Development Nutrition and Sustainability, Dept. Agricultural Development, Agrofood and Management of natural Resources, Athens, Greece (<https://agro.uoa.gr/en/>).

Moreover, he serves as an Adjunct Professor, Department of Computer Engineering, EPOKA University, Tirana, Albania (<https://cen.epoka.edu.al/staff>) since 10/12023, as an Executive Steering Committee Member, Lincoln University College Malaysia (LUCM) Global Postdoctoral & Researcher Programme (<https://www.lincoln.edu.my/global-postdoctoral-researcher-programme-2/>), as an Adjunct Professor, Department of Computer Engineering & Applications, GLA University, India, (<https://www.gla.ac.in/academics/faculty-detail/871/prof-dimitrios-karras>), as an Adjunct Professor, International Adjunct faculty, Marwadi University, Rajkot 360 003 Gujarat, India, (<https://mcuniversity.in/>), as Honorary Dean, Science and Technology, Eudoxia Research University, New Castle, USA, (<https://eudoxiaresearchuniversity.us/programs/>), and as Honorary Active Faculty Member, Noble International University, NIU, USA, (https://niuuniversity.org/?page_id=461).

He received his Diploma and M.Sc. Degree in Electrical and Electronic Engineering from the National Technical University of Athens (NTUA), Greece in 1985 and the Ph.D in Electrical Engineering, NTUA, Greece in 1995, with honors. During 1990-2004 he collaborated as visiting professor and researcher with several universities and research institutes in Greece and Heidelberg, Germany (DKFZ). During 2004-2018 he was with the Sterea Hellas Institute of Technology, Automation Dept., Greece as assoc. prof. in Digital Systems and Signal Processing, as well as visiting prof. at Hellenic Open University, Dept. Informatics in Communication Systems (2002-2010). Since 1/2019 is an Associate Prof. in Digital and Intelligent Systems & Signal Processing, in National & Kapodistrian University of Athens, Greece, School of Science, Dept. General (<https://en.uoa.gr>, dakarras@uoa.gr) as well as an adjunct Prof. Dr. with the GLA university, Mathura, India (<https://www.gla.ac.in/academics/faculty-detail/871/prof-dimitrios-karras>) and EPOKA & CIT universities, Computer Engineering Dept., Tirana (<https://eis.epoka.edu.al/cv/fullcv/301>). He has published more than 118 research refereed journal papers in intelligent and distributed/multiagent systems, pattern recognition, image/signal processing and neural networks as well as in bioinformatics, more than 22 edited books and 14 book chapters in international publishers and more than 189 research papers in International refereed scientific Conferences. He has given more than 170 invited and keynote speeches at international conferences. His research interests span the fields of intelligent & distributed systems, complex systems and sustainability, multiagent systems, pattern recognition and computational intelligence, image & signal processing/systems, biomedical systems, communications and networking as well as security and sustainability applications. He has served as program committee member as well as program/general chair at many international peer reviewed conferences and workshops in signal, image, communications, and automation systems as well as he is serving as editor in chief and editorial board member in several peer reviewed journals. Citations of his research works from other researchers (18/9/2025)- excluding self-citations- appear in more than 3530//2413//2256 (Google Scholar (<https://scholar.google.com/citations?user=IxQurTMAAAAJ&hl=en>) //Semantic Scholar//Lens) and 2851 (ResearchGate Index https://www.researchgate.net/profile/Dimitrios_Karras2/, with more than 27687 ResearchGate Index Reads metric) research papers, as well as in more than 2017//1309 research papers in SCOPUS //WEB OF SCIENCE peer reviewed research databases, with H/G indexes 26/74 (Google Scholar), SCOPUS-H index 20, WEB OF SCIENCE H-index 16, and RG-Research Interest score 1538 (in the top 5% of the ResearchGate members database).

He is Senior Member of Hong Kong Society of Algorithms and Computing Technology (HKSACT) (No: SMDK20240522001Y), ORCID ID: <http://orcid.org/0000-0002-2759-8482>, WEB OF SCIENCE RESEARCH ID: AAD-7229-2019

He is former editor in chief (2008-2016) of the International Journal in Signal and Imaging Systems Engineering (IJSISE). Moreover, he is currently.
